A Novel from the Ice Age The Hot Springs of Ussat, (here called the Leopard Springs in the story) are located on the Ariège River in the French Pyrenees, below the cave system of Lombrives-Niaux. The story of the book is set in the western Languedoc and the east central Pyrenees. Locations mentioned are real places and are given with their present French names. A visionary dream informs him to seek the guidance of an old ceremonial man and band leader, Red Arrows, his grandfather by the tribal definition of kin. He joins the Old Man s camp and is guided by him through the months leading up to the annual ceremonial visit to the Lombrives-Niaux cave sanctuary, where he participates in the secret and sacred four-day shamanistic event. Also featured are a New Year s ceremony (belonging to what is termed Bear Cult in anthropological literature) and a raid into hostile territory. Interspersed with the story are short cultural comments as made by an informant in an ethnographic fieldwork-style dialogue....
