Front Street Publishing, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.THE REASON WHY: Other books take a satirical look at America in decline. They tell us we are declining, but they do not tell us why. Why are we declining? That is the enigma. Other books lament Alzheimer s and other degenerative diseases, but they do not explain the causes. This is yet another enigma that is covered in the book. See how the search for an understanding of Alzheimer s disease opened new ways of looking at our mental and emotional decline. Gain new understanding of how aspects of our personality such as connectedness, self- control, and attention have changed. Explore research on stomach function, the personality of cancer patients, and the importance of allergies to common foods and chemicals. HEALTH: For caregivers and those suffering with health problems there is a wealth of practical information on Alzheimer s, depression, allergies, anorexia and other degenerative diseases. Learn the techniques the author used to care for her own mother and the four pieces of the Alzheimer s puzzle that she discovered. This book is not only essential for caregivers, it also shows baby boomer how to avoid the nightmare of Alzheimer s disease. This book provides answers: If you are despondent about the decline of America. If you wonder why our personalities are changing. If you want to prevent Alzheimer s or you are a caregiver. If you have a daughter who is anorexic. If you struggle with depression or other degenerative diseases.
