The assassination of John F. Kennedy on November 22, 1963, has been the subject of enduring debate, speculation, and numerous conspiracy theories, but Swanson's absorbing and complete account follows the event hour-by-hour, from the moment Lee Harvey Oswald conceived of the crime three days before its execution, to his own murder two days later at a Dallas Police precinct at the hands of Jack Ruby, a two-bit nightclub owner. Based on sweeping research never before collected so powerfully in a single volume, and illustrated with photographs, *End of Days* distills Kennedy's assassination into a pulse-pounding thriller that is sure to become the definitive popular account of this historic crime for years to come.
