OCLC Number: (OCoLC)53397523 Subject: Homeless children -- Education -- United States. Excerpt: . . . TransportationProviding in-school and related services Outreach to youthWhen children and youth move frequently, attending school is difficult for many reasons. There are challenges for students and challenges for the school districts, schools, and even states working to serve them. Strategies aimed at five of the most common challenges are detailed in this guide: Awareness Raising State coordinators of homeless education programs report that many educators, as well as members of the general public, remain unaware of the serious consequences of homelessness for school-age children and youth. As one coordinator observed about homeless students, . . . these students are 7 invisible--they do not exist. In order to identify, enroll, and educate homeless students, the general public and district and school staff at all levels and in all capacities need to understand the rights and needs of homeless students and their families, as well as the services available to them. Immediate Enrollment School records requirements make enrolling in school a problem for many homeless students. States have made significant progress in resolving issues having to do with immunization records for homeless students. Nevertheless, schools and other agencies remain apprehensive about eliminating the usual requirement for documents that prove a student has a parent legal guardian who accepts responsibility for the child. School authorities are concerned not only about liability questions, but also fear that non-homeless students would react to such a change by enrolling in schools outside of their 8 attendance area for...
