Nigraucity An Enigma The vision of a man, who searches endlessly for truth and understanding in all aspects of life. A man who believes that The God of Abraham, Issac, And Jacob, is God, and The Father of Our Lord and Savior Jesus Christ, the true author of all of those aspects. The life of the human man is just a test for comparable reasons. I m persuaded that if He (God Almighty), can create the Universe, that is full of planets, stars, phenomenon that is unexplained to date, and a galaxy, that is so full of matter, planets, stars, and who knows what else, that it is referred to as, The Milky Way. A timeless void, that is without any noticeable end to man. He created and loaded an ocean full of all sorts of sea creatures and marine life, as well as abundantly filled the dry land with an innumerable assortment of animals, plants, and everything else, as well as man, according to what pleases Him. If all of this He done in this natural world, I am sure that he can send us some sort of indication of a few, if not all of the aspects of our life, from a Spiritual Perspective, (and He Has for us all), that are possibly new, or something that we may have wanted and missed, because of the limits of our finite mindset. I m just like any other man. Constantly searching for our place or purpose from youth. The approach was without knowledge, or insight at that time, but Now, today, let s look forward to the destiny that lies before us!...
