These herbs used for millenniums have been an important part of our social traditional and religious fabrics all over the world. No one, without an interest in nature is not going to know more about Rosemary, sage, lavender, thyme, hyssop, basil, and other herbs put into use down the centuries. The awareness of the medical as well as the edible qualities of herbs, was naturally gained in prehistoric days by happy and sad experience. When food was nasty tasting or scarce, the pungent herbs made it more delicious and acceptable to eat. Leafy herbs provided vegetables and salads. Soon people began to find out that some herbs would also heal wounds and ease suffering. So that means that even the herbs that we supposedly used for culinary purposes could be used for healing purposes. In 460 B.C. Greeks were writing about the curative powers of plants. In the East, these...
