ACCOUNTING AND FINANCE FOR MANAGERS

Excel Books, 2001. Softcover. Book Condition: New. The aim of this book is to make better managers rather than making accountants. Therefore, this book fills the void that exists today in the managers` education. It brings together, all essential accounting and financial techniques, that every manager needs. It explains the techniques and their applications in the managerial world in a simple language, without going into mathematical proofs which are not essential for using these techniques. The book has been developed...
