By Charles Arthur Hague

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Pumping Engines for Water Works This, accompanied by the touchstone of personal experience, will, it is hoped, make a strong appeal to human interest. Those about to take up or to extend the study of steam engines, pumps, and pumping engines, are often discouraged at the very start from approaching the matter as closely as they desire, by the complicated character of the opening pages of a great many of the text books; and, although natural laws and their principles and effects must be necessarily wrestled with to a very serious extent by the student at school, and others later, by way of substantial foundation for after life, it seems as though there might be a small space available for a book which deals with the subject in a somewhat primitive manner, in plain every-day words, without taking too much knowledge for granted upon the part of the reader, and with the almost total absence of mathematical details. If the student or the layman hesitates at the smaller books, some of which are really too...
