Reviews

This pdf will not be simple to start on reading through but extremely enjoyable to see. I have read and i also am sure that i will planning to read through again once more in the foreseeable future. You wont really feel monotony at whenever you want of the time (that's what catalogues are for relating to if you request me).

(Mallory Kertzmann V)

MERCY PHILBRICK S CHOICE

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.To one who found us on a starless night, All helpless, groping in a dangerous way, Where countless treacherous hidden pitfalls lay, And, seeing all our peril, flashed a light To show to our bewildered, blinded sight, By one swift, clear, and piercing ray, The safe, sure path, --what words could reach the height Of our great thankfulness? And yet, at most, The most he saved was this poor, paltry life Of flesh, which is so little worth its cost, Which eager sows, but may not stay to reap, And so soon breathless with the strain and strife, Its work half-done, exhausted, falls asleep. II. But unto him who finds men s souls astray In night that they know not is night at all, Walking, with reckless feet, where they may fall Each moment into deadlier deaths than slay The flesh, --to him whose truth can rend away From such lost souls their moral night s black pall, -- Oh, unto him what words can hearts recall Which their deep gratitude finds fit to say? No words but these, --and these to him are best: -- That, henceforth, like a quenchless vestal flame, His words of truth shall burn on Truth s pure shrine; His memory be truth worshipped and confessed; Our gratitude and love, the priestess line, Who serve before Truth s altar, in his name. Mercy Philbrick s Choice. Chapter I. It was late in the afternoon of a November day. The sky had worn all day that pale leaden gray color, which is depressing even to the least sensitive of souls. Now, at sunset, a dull red tint was slowly stealing over the west; but..
