Ian Allan Publishing. Hardback. Book Condition: new. BRAND NEW, ABC British Locomotive Shed Directory and Allocations 1962, There is a continual demand for facsimile reprints of Ian Allan's abc loco books from the 1950s and 1960s, as a reference source to the railways of that era. These books generally did not include the Locoshed allocations, which were published separately. In 2002 we published the 1952 Locoshed Book and in 2004 we published the 1960 Locoshed Book. Now we are bringing back into print the Spring 1962 Locoshed Book with all shed allocations for all British Railway locomotives, together with the 1962 Shed Directory, which gives a complete guide to all the main line locomotive sheds and works in Great Britain at this time. This classic reprint will give enthusiasts a complete listing of the large numbers of steam locomotives that were still in operation in the early 1960s as well as the large numbers of first-generation diesel locomotives and multiple units that had entered service by this date.
