O. , Congressional Sales Office, 2003. LC Number: KF26 . G67 2002k OCLC Number: (OCoLC)51532462 Subject: Electronic data processing -- Security measures -- United States. Excerpt: . . . 11 and to seek prevention, response, and reconstitution solutions. The safety of our Nation is of course our first and foremost overriding objective. The Justice Department has been working across govern-ment to address infrastructure issues for several years. However, the attacks of September 11 have heightened our awareness of these issues and created a new sense of urgency. U. S. infrastructure protection efforts are the shared responsi-bility of many entities, both public and private. Many of this joint effort is based upon the principle that a robust exchange of infor-mation about threats to and actual attacks on critical infrastruc-tures is a critical element for successful infrastructure protection. The following, of course, are just a few of the entities that are dedi-cated to this principle: The National Infrastructure Protection Cen-ter, headed up by Mr. Dick; the...

### Reviews

*This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

-- **Ally Reichel**

*This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).*
