## **INTERNATIONAL, COMMERCIAL AND FINANCIAL GAMBLING, OPTIONS AND FUTURES, (MARCHES A TERME): HE ECONOMIC RUIN OF THE WORLD (CLASSIC REPRINT)**

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from International, Commercial and Financial Gambling, Options and Futures, (Marches a Terme): He Economic Ruin of the World When an Englishman reads in the Press of the world of the various Swindles that are being daily perpetrated in all so-called Christian and Civilised Countries relative to the World s Agri culture, Trade, and Finance, it behoves every man to do his duty and to expose the causes thereof. I therefore take up my pen with a calm conscience and a sound conviction that I am again doing right in exposing what, I am firmly convinced, lies at the root of all these conspiracies. During the best part of my life, I have tried to propound a theory for the causes of the ruin of the World s Agriculture, Trade, and Finance, based on the history of the past by means of evidence afforded by the present. I have had this advantage over older writers, who also, in years gone by, had supported the views I now hold. It has not been my fault if I have failed to convey the result of my historical researches concerning the subject of my writings. I do not profess to have any occult knowledge of these international gambling Option, Future, and Warrant Systems, denied to the rest of the world.
