A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

iUniverse, United States, 2009. Paperback. Book Condition: New. 213 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Dream Walker is a novel based upon truth. What is truth and what is fiction for each reader will depend on how the information resonates with his or her emotional circuitry. The characters depicted and the situations described are a montage drawn from actual and fictional accounts. The story is not told chronologically; instead, it moves back and forth to different times in the life of Roger, the main character, as a part of this montage. It is through the description of his reactions to those experiences that the book attempts to show how it is possible to arrive at spiritual awareness through difficult, and sometimes even preposterous, circumstances. This is the story of a lifetime journey through our third dimensional physical reality on the planet Earth. It is all part of what is called the Grand Experiment of free choice on this beautiful blue sphere floating on the edge of this universe. The ultimate challenge is for us to find our way back through it all to our own spiritual selves, and who we are on the other side of the veil. This is one person s story about his dreams of romance and adventure through this earthly experience that somehow leads him to his own spiritual awareness.
