Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Juliet Mertz)

EXTINCTION BIOME: INVASION

ABADDON BOOKS, United States, 2016. Paperback. Book Condition: New. 173 x 104 mm. Language: English . Brand New Book. A thrilling new military SF series. Four years in the military, training for a war that never happened, left Alexander Miller disillusioned and apathetic. Now, as second in command of COBALT, a corporate bodyguard unit for the biotech giant Schaeffer-Yeager, he s little more than a glorified chauffeur to the wealthy elite. But times change. A threat from the ancient past has reawakened, and like a Biblical plague it threatens to consume every ecosystem on Earth. Hordes of parasite-infected humans riot against the increasingly powerless authorities as vast fungal blooms destroy crops and terrifying beasts stalk city streets. The last time this happened, T-Rex found itself on the menu. But mankind s got more than teeth it s got guns. Miller and the men and women of COBALT are pressed into service to fight the onslaught, but they have no idea how cut-throat their corporate masters can be.
