Bestselling author Edward M. Hallowell, MD, the world's leading expert on ADD and ADHD, has set his sights on a new goal: helping people feel more in control and productive at work. You know the feeling: You can't focus; you feel increasingly overwhelmed by a mix of nonstop demands and technology that seems to be moving at the speed of light; and you're frustrated just trying to get everything done well and on time. Part two of the book provides advice for training your attention overall so that you are less susceptible to surrendering it in any situation. The result is a book that will empower you...
