Google Apps gives you virtually all the business and productivity software you need--all of it free, or available at extremely low cost. Because the suite of Google Apps runs on Google's network in the cloud, you avoid the hassles that go with desktop software. Getting started with Google Apps is easy--but if you want to make the most of it, you'll need expert guidance that Google's online help doesn't provide. Get all the help you need, right here. This is your start-to-finish guide to setting up Google Apps, migrating to it, customizing it, and using it to improve productivity, communications, and collaboration. Scott Granneman introduces every leading component individually, and shows exactly how to make them work together for you on the web or by integrating them with your favorite desktop apps. You'll find practical insights on Google Apps email, calendaring, contacts, wikis, word processing, spreadsheets, presentations, video, and even Google's new web browser Chrome. 552 pp. Englisch.
