

The Creation of the Presidency, 1775-1789: A Study in Constitutional History

By Charles C. Thach

Liberty Fund Inc. Paperback. Book Condition: new. BRAND NEW, The Creation of the Presidency, 1775-1789: A Study in Constitutional History, Charles C. Thach, Fresh from a battle against monarchy, the American Founders were wary of a strong executive, but they were equally conscious that unchecked legislative power risked all the excesses of democracy. Creating an effective executive who did not dominate the legislative body posed a significant challenge. In THE CREATION OF THE PRESIDENCY, 1775-1789, Charles Thach's lucid analysis reveals how these conflicting concerns shaped the writing of the Constitution and the early clarification of executive powers. Thach sets the stage by analysing the political tendencies during the war and under the Articles of Confederation, showing that experience with rash state legislatures and an ineffectual national Congress contributed to the desire for a strong executive. He presents clearly the scattered deliberations on the executive during the Philadelphia Convention and gives due attention to the important decisions on presidential power made by the First Congress. Originally published in 1923, this book has influenced decades of scholars. In 2003 Raymond Tatalovich and Thomas Engeman referred to it as "the definitive statement of original intent" with respect to the establishment of the presidency....
