## THE POULTRY KEEPER S COMPANION (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Poultry Keeper s Companion If we were to look back on the past fifteen years and take a passing glance at the phases through which poultry-farming has passed during that period, we should find that the vicissitudes of its progress have been punctuated more by disaster than success. It is scarcely necessary to disinter the sad memory of lost capital and - in some cases - wrecked lives, so as to impress upon the beginner to-day the useful, if severe, lessons of the past. It will be enough for our purpose here to know that the old poultry-farming, which sent people crazy and led them like a Will-o -the-wisp to certain doom, has had its day. Poultry-Farming As A Sole Pursuit. - The system, or rather the belief, that money could be made by keeping poultry on a large scale, on land hired expressly for that purpose, has been found utterly false, and volumes might be filled with the details of how people have lost their all in rash enterprises of this kind. But not one single instance of a poultry farm of a purely utility kind having succeeded for more than two or three years at the most can be recalled.
